

Writing an Article

Exercise 50

В этом упражнении использовано задание финала олимпиады «Формула Единства / Третье Тысячелетие» 2022/23 года для 11 класса

Imagine that you are a journalist and you received a letter with someone's problem to your publishing house. You want to write an article about some tips to solve the following problem among all teenagers (100–250 words, articles and contractions are counted as ONE word each). Don't forget to write:

- description of the problem itself,
- why it is actual for everybody,
- tips to solve it (2–3).

The letter: *"... I don't understand why I cannot concentrate on my life. I always feel exhausted and emotionally tired after school, but I want to have some private life and hobbies, too. How to find a balance and to be multitasking?"*
