

Writing an Article

Exercise 10

You see this announcement in your local student magazine.

It's nearly September and the new Olympic season is about to start. We'd like you, our readers, to share tips on how to get prepared for it. When to start? What to do? How much time to spend? Let us know!

We'll publish the best articles in our next issue.

Write an **article (200–250 words)** in response to the announcement.
