Writing

Imagine yesterday you arranged to go to the cinema with your friend. Unfortunately, you couldn't get to the cinema as you had to take your pet to a vet.

Write an e-mail to your friend.

In your e-mail you should:

- greet your friend;
- apologize for not getting to the cinema; explain why you didn't come;
- suggest meeting another time;
- suggest where you could go.

Write 80–100 words.

Remember the rules of e-mail writing.
