## Part 4 (20 minutes)

### Writing

Imagine you are in a holiday camp and your mobile phone doesn't work. Leave a note to your roommate Ann/Nick:

Say:

- you can't go to the cinema with him/her;
- where you are going instead;
- when you can see each other;
- where you will meet;
- what you will do together when you meet.

Write about **50–60** words.
